Israel's Sky-High Flight Simulation Adventure

Feel the rush, see the land, and connect with Israel
like never before

Step into the cockpit of an Israeli Air Force fighter pilot and experience the thrill, innovation, and spirit of Israel — without leaving the ground. Witness the wonders of Israel from above in a one-of-a-kind, adrenaline-filled experience inside real F-16 and F-35 simulators.

Choose Your Adventure!

Perfect for families, groups, and solo travelers

Fly the Story of Israel

This unique activity connects visitors to the spirit of Israel through an unforgettable Israeli Air Force experience.

Suit up in a real flight suit, receive a professional pre-flight briefing just like in the IAF, and take the controls for **two thrilling missions** in F-16 simulators:

Mission Flight - Learn the basics of fighter jet operation, and take off on your first mission flying over the beautiful Jerusalem and Tel Aviv skies.

Debrief - Just like real IAF pilots, you will review your performance and prepare for the next flight

High Performance Flight - Apply what you've learned and insights from your debriefing to elevate your performance.

- Guided by a dedicated simulator instructor
- Free photos & videos from the experience

Duration: 1 hour and 45 minutes (varies by group size)

Unforgettable Family Adventure

Get your mission briefing and jump into action—suited up in real flight gear—as your family takes to the skies in an exciting and collaborative flight simulation.

First Flight - Learn to operate your aircraft and navigate through timed challenges to score points.

Debrief - Just like real IAF pilots, your family will review performance and prepare for the next mission.

Second Flight: Plan together and embark on an operational family navigation flight, hitting key targets across the map of Israel.

- Guided by a dedicated simulator instructor
- Custom group flight patches
- Photos & videos from the experience - Free

Duration: 3 hours (varies by group size)

VIP

The Top Gun Experience

Step into the world of elite combat pilots with this once-in-a-lifetime experience. Led by a veteran IAF fighter pilot, you'll hear personal stories, gain exclusive insight into the life of a combat pilot, and explore the real-world challenges IAF pilots navigate every day.

Then it's your turn to fly:

- Take control of F-16 and F-35 simulators
- Dive into a fully immersive VR mission
- Enjoy a tailor-made program suited to your group's interests

Get your all-inclusive VIP package:

- Led by a veteran IAF fighter pilot
- Unlimited simulator flights
- Custom group flight patches
- Photos & videos from the experience
- F-35/22 model kit
- Light refreshments

Duration: 2.5–3 hours

(Varies by group size)

The Supersonic Challenge

Get ready for an immersive, adrenaline-packed experience guided by a veteran combat pilot and simulator instructor.

Suit up in authentic flight gear and prepare for two unforgettable F-16 missions that will take you across Israel's skies—and deep into its story.

Mission Flight - Learn the basics of fighter jet operation, and take off on your first mission flying over the beautiful Jerusalem and Tel Aviv skies.

Debrief - Just like real IAF pilots, you will review your performance and prepare for the next flight.

High Performance Flight - Apply what you've learned and insights from your debriefing to elevate your performance.

Post-Flight Debriefing

Just like real fighter pilots, you'll gather with your crew to reflect on your flight and sharpen your mission skills.

- Guided by combat pilot & simulator instructor
- Minimum 6 participants
- Photos videos from the experience - Free

Duration: 2 hours and 15 minutes (Varies by group size)
